

Seahorse Equipment Limited, 41 Whiore Ave, Tauriko, Tauranga  
 Phone: 07 543 0266 Fax: 07 543 0267 www.seahorse.net.nz

## WARRANTY DETAIL CARD

Seahorse Equipment Limited maintain a 24 month\* return to base warranty for all Seahorse Products (batteries and strobe lights are limited to 12 months). We are also happy to provide any ongoing servicing if required to any of the Seahorse Products. Please note the warranty will become invalid if user modifications are made to the Seahorse products or non original Seahorse products or parts (for example batteries) are used in/with the Seahorse products. - Please read the warranty page on our website for conditions.

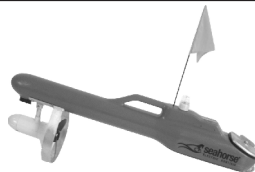

Seahorse Equipment Limited also maintains a register of Seahorse Owners which assist in the recovery of lost or stolen Kontiki's or electric winches. To enable us to enter you onto the register, we will need your approval and details noted below.

We also recommend owners place their name and contact details onto their Seahorse Products. Popular methods include engraving into the hatch or motor frame. It is a legal requirement as the Seahorse Kontiki becomes a float or buoy once the motor stops.

*Please enter details.*
